

Equipment Rental

Whether you need a short-term boost in device capabilities for a project or event, or a flexible, long-term solution to meet varying operational demands. Enjoy the benefits of up-to-date technology without the commitment of a full purchase, ensuring your business stays agile and cost-effective. From Macbook to VR headset, we have you covered.

Asset Management:

1. Onboarding - New Employee Kit
2. Offboarding - Retrieval of existing equipment
3. Upgrades - Product Refresh
4. Break Fix - Rapid replacement of faulty equipment

White Gloves Services

White Gloves Service is a specialised and high-level shipping and delivery option that allows you to receive your products fully assembled, in bulk packaging, ready to use, saving you time and providing a stress-free experience.

Custom configurations available, please contact us to explore options.

IT Asset Disposal

Our IT disposal services prioritize both **Environmental Sustainability** and **Data Security**.

When disposing of IT equipment, we adhere to industry-leading practices to ensure the complete and secure destruction of sensitive data.

Our process involves thorough electronic data wiping or physical destruction of storage devices, guaranteeing that no confidential information remains on decommissioned equipment.
